Re: Notice of Exemption to Abandon a portion of the Norman Branch  
Line from M.P. 447, near Antoine, to the end of the Line at M.P.  
479.2, near Birds Mill, in Clark, Pike and Montgomery Counties,  
Arkansas, STB Docket No. AB-1076X

Dear Ms. Brown:

Pursuant to the Board's exemption procedures for abandonment and discontinuance of service of rail lines with no local business for at least two (2) years, (49 C.F.R. § 1152.50), I filed a Verified Notice of Exemption, including a Certificate of Service and Publication, on October 27, 2011. A post-filing review has revealed that Clarke County, Arkansas was inadvertently omitted from the caption and at pages 1 and 2. It is correctly included in all other documents submitted as part of the filing.

Please accept this letter as an amendment to the pleading. Thank you for your consideration in this matter.

Sincerely,

Richard H. Streeter
